

BENSON GOLF CLUB

The Best 18 Holes in Western Minnesota!

The Tee Box Newsletter

Happy May Day!!!

Well, we got our rain to help really green up our lawns. Now let's start playing some golf.

The Ladies Tee Off Dinner is all set for this Wednesday. The committee has been working hard to create a very festive time for all attendants. They will be having raffles, a putting contest, pictures w/ famous golfers and much more!!!

Most of the equipment is in the shop. We have a wide selection of golf balls for all tastes, Titleist, Callaway, Precept & Bridgestone, Srixon - all the best. Stop by and try the new Cleveland Hi-Bore Driver that everyone is talking about or the new Ping G5 series of woods.

Remember to check your supplies before you begin the season. Gloves, shoes, clubs and grips. We feature the new AVS Winn Grips this year. We will install them right here at the course.

Men's league rosters and schedules will hopefully be out by weeks end. We are still contacting some people about thier intensions.

As more rounds start to be played, I suggest that you call for tee times especially on the weekends. This Saturday we are hosting the Boys High School Golf Invitational. This is a 8:00 shotgun start (frost permitting) so the tee should open up around 1:00.

5 Person Scramble is set for Sunday May 21st. You can check out the flyer on the website.

See You at the course . . .
