Good Summer to you all!!

What a great start to the summer season. I know we could all use some rain, but for playing golf this is great. Sally and her crew have the course in great shape.

Thursday Night Live is starting up again this Thursday. This is a fun event for all golfers. How it works is that you sign up before 5:00 on each Thursday this summer. You will get computer selected on a team. The format for each week will be determined by the number of players - but you will ALWAYS play your own ball. Cost is only \$10.00 and includes all games for the event. (Skins, team game, low net, low gross -many chances to win.) Call your playing partners and make a date to play TNL every week. \$2.00 beers and rail drinks for all players from 5-close.

Now that the season is in full swing, I just want to let everyone know that the driving range will be close on Sunday and Thursday nights after 6pm for mowing. Sorry for any inconvenience.

In the near future we will have a sign up sheet for a couples league this summer. Right now it looks like every other Sunday Evening will be the league. 2 Men & 2 women will play a scramble and try to accumulate points.

A sign up sheet is in the pro shop for a "Match Play Tournament". This is open to all members and will be a summer long event - if you keep winning- We have a championship flight which is gross scores and we have the regular flights which we will put comparable handicaps together to battle it out. The fee is only \$15 and play begins on June 28th. Please sign up BEFORE June 25th. Each match must be played within a certain time frame- so this is a tournament that everyone should play because it is conducted when you can play.

A few cart reminders. Cart drivers must have a drivers license to operate a golf cart on course grounds. Renters must be 18 years of age. Under your "cart use fee" only IMMEDIATE family members may use your cart. Friends must pay a trail fee to use your cart on course property. Please enforce this policy yourself - it helps keep your dues down!!!!

Fathers Day is just around the corner on June 18th. We have set up a "Dad's Wish List" in the pro shop. How it works is, Dad comes in and lists his "golf wishes" in our register. Family and friends come in to see exactly what you want for fathers day. With the help of a staff members we will help your family find what you want. Gift Certificates and lessons are also great gifts.

The grill is open on Friday Nights beginning in June. We have a new menu that includes all your favorite sandwiches as well as salads, appetizers, pizza and steak & chops. Come check it out. We will be serving from 5-10 every Friday.

See you at the course!
