## **The Tee Box Newsletter**

Greetings Everyone,

If you see Sally or here staff thank them for a great job keeping the course in great shape during this heat wave.

A few things of note to pass along to you. The Member - Guest tournament is all set for the weekend of Aug 26th and 27th. This is the second year of this event. You and your guest are a team. You play your own ball and score with a modified stable ford system. It is a handicapped tournament, so it would be required that you and your guest have established league or ghin handicaps. Included in the entry is a tee prize, golf, Saturday dinner, Sunday breakfast and your guest can play free on Friday. For more information please give me a call.

The Senior Tournament is set for Monday August 7th and the Men's league championship will begin the week of the 7th. All signups are just inside the doors of the pro shop.

Don't let a chance for a new cart pass you by. Remember to get your raffle ticket for a new Club Car golf cart, sponsored by the Benson Area Chamber of Commerce. You can see the cart on display at the course.

Speaking of carts. Please remember the board policies on private cart use. Only Immediate family members may use your cart under your cart access fee. It may not seem like much, but think of it this way. If each of our private cart users let someone use their cart for free one time it would cost the course the opportunity to generate \$3380 in revenue. Please police yourself. It will help keep all our fees down.

Range balls are for practice only on the driving range. So far this year we have had to replace 100 dozen golf balls and they are not cheap. Please keep all range balls on the range.

Member appreciation day is set for Sunday Sept 17th. We wish to have a tailgate theme since it is the Vikings home opener. More information is coming soon.

The Friday Night Dinner menu has been reduced to appetizers and pizza. We did not get the business we were hoping for, but we will have a smaller food offerings on Friday nights.

Congratulations to Jerry Peterson for getting his first hole in one on #17 this past week. Witness's were his son, Corey and his grandson, Sam. How neat it was to see three generations of Petersons witness Jerry's hole in one.

Coming Soon - BGC Cash Raffle -

Have a great Week and we will see you at the course!!
