Benson Golf Course

Volume 1, Issue 1

April 2005

The Golf Season is Just Around the Corner

Welcome to the 2005 edition of the golf season. Things are looking great and if all goes well we could possibly be chasing that little white ball shortly.

Thank you to all those members that have paid early and taken advantage of the discount or passes. The passes will be in the pro shop for you to pick up in April. Thank you to all the premium members that have donated a little extra to help support the course.

Just a few reminders before the season begins. A minimum of \$100 must be paid towards your membership before any play. The trail fees for private carts cover the immediate family only. If you share a cart with someone all persons using that cart must also pay the trail fee. The storage fee is a single fee. I would like all private cart owners to sign a **Cart Contract** before play this year. On the

contract will be a way for you to generate a few extra bucks as well as help keep the course expenses down. We have created a "**Cart Donor Program**". This is a program that allows the course to use your cart on tournament days, with your approval 3 days prior. The course would retain 1/2 the revenue and you would get 1/2 the revenue. It is a win—win situation. Make sure to mark YES on your contract to get involved with this program.

Please remember that the course owns your cart storage space. Any transactions involving cart storage must be approved by the Benson Golf Club. We have a waiting list for potential renters and all storage space must be rented from an active member or at a minimum an 18 hole punch card user.

Leagues are getting organized as we speak. If you are interested in playing in a league, please call the pro

shop. I have several singles looking for a men's league partner. If you wish to obtain a list or get your name listed stop by the pro shop. The Ladies Tee Off Dinner is scheduled for Wed May 4th. Registration will be coming shortly.

If you know of anyone around that has been hesitating to joining the course, let them know that now is a great time to join. For 1st time members we are offering a 35% discount to be able to show them what we got to offer. Or if you know of any past members, bring them out to see what there have been missing. We DO offer the best value in Minnesota golf.

New this year will be a series of Friday Night Couples golf. We have 4 events scheduled and if you play in at least three events you will be entered into a drawing for some great prizes, including a weekend getaway for two.

The Benson Golf Club calendar is set to go. You can download each months events at our web site

www.bensongolfclub.com.

If you do not have internet access we will have copies in the clubhouse for you to pick up.

Listen to local radio for course condition updates.

Think Spring!!!!

- Shoes in good shape.
- Good supply of balls.
- No hole in gloves.
- Goals set for the year.
- Cart serviced by BGC.
- Signed up for league.
- Checked web for tournaments.

Premium Membership Does Have It's Advantages

The Premium Membership was established in 2004 to help with the financial position of the golf course. If a member donated an extra amount of money to the course, their were classified as a either a Bronze, Silver or Gold donor depending on the amount donated. Any amount helps the golf course—so thank you!!

But did you know that if you become a premium member of any level, you are able to use the range unlimited all summer long. Also, If you are a premium member guests of yours playing at BGC will pay only \$18.00 for their round of golf any day of the week.

Please consider becoming a Premium Member. You help out the club and you get some advantages also.

We accept Premium Memberships at any time. Stop by the clubhouse or call for more information.
